# Trailer Storage Confirmation Form

Wilderness Property Owner,

Our records indicate that you have been assigned trailer storage space # _____.

If you are currently using this assigned space and intend to continue to do so, please sign this document below and return to the Wilderness Office by hard copy or electronically. This will allow us to maintain a validated list of all assigned spaces.

By signing this document below, you agree to the terms of the trailer storage policy as follows:

**Parking and storage space in the community lot is BY ASSIGNMENT ONLY and is at the risk of the Owner. The POA assumes no liability and provides limited security. No commercial units are allowed. Before parking or storing any object a description of the object to be parked or stored and the license number, if applicable, must be submitted to the office and permission received for storage. All storage must be within the assigned space only. Assigned lots must be maintained by the property owner. Any owner that does not adequately maintain their assigned lot will be charged a fee for the cost of a third party maintaining such lot. Repeated negligence to maintain a lot may result in forfeiture of the right to use the trailer storage space. The Board of Directors reserves the right to refuse permission to store any item that in its discretion it deems inappropriate.**

We realize that this is a new request for you, but it is imperative that you respond to allow us to maintain the storage area in good condition. **We will only provide the gate combination to owners that return this confirmation form, so please reply promptly before the lock is placed on the gate.** If we do not receive a signed copy from you, we will assume that your assigned storage space has been abandoned and we may clear it out and reassign your space.

Thank you for your response and understanding on this matter.
